Meet the Team:

It takes great people to make great radio! And, we have some great people.

Kit (& Pete)

Kit has joined Pete for breakfast this year, and she is quickly becoming a favourite. She loves giving away prizes and cheering people up, and keeping Pete in line (well, she can't really do that, but she does try!).

Tune in each day for great competitions, a good laugh, and regular updates on traffic, weather and other really important stuff.

(l-r) Jayne, Pete, Kit, Sharon

Jayne & Sharon

Now at 3pm each day, Coffee O'Clock is Adelaide's favourite all-female radio duos, bringing life over coffee to thousands of women through Life FM and syndicated stations. Jayne and Sharon bring you an hour of real life radio aimed specifically at Gen X and Gen Y women, with regular segments including news (the C Section), views (Beauty & the Pete) and a whole host of other issues and fun with our team of Dilemma Divas and Dilemma Dude.

Words of Life (heard each hour just after the news)

You know the teachings I gave you, and you know what you heard me say and saw me do. So follow my example. And God, who gives peace, will be with you. Philippians 4:9 (CEV)

IN THIS ISSUE...

- Meet the Team
- Congratulate Scotty
- Life FM gives comfort

Congratulations Scotty!

Life FM congratulates our Content Director—Scotty and his wife Sharona on the birth of their beautiful baby boy James Alexander!

Scotty joined the on-air team this year, hosting Drive each afternoon (just after the Coffee O'Clock girls do their thing).

Scott is also the Content Director at Life FM. That means, he is in charge of all the content! He works with the announcers to plan their shows, chooses the best music, and fills in for others when they are not there.

Life FM gives comfort in the simple things...

"On a personal note I just wanted to pass on my thanks to the whole team at Life FM for being such a great station. My mum passed away just before Christmas and in the time leading up to, and since her passing I found such unintentional consolation and support just from listening to your station. Life FM really helped me through a bit of a sad, dark time and I am so appreciative of just being able to turn on the radio and take heart; and know that there is comfort in that simple thing.

So thank you to everyone and please keep up the good work" Mary D, February 2015.
