Life FM makes a difference...

Helene, Flagstaff Hill: I listen to Life FM all the time: it's an awesome radio station. Whenever you're feeling down the cheerful banter is wonderful, it's just really encouraging.

Christine, O'Sullivan Beach: Uplifting. It's my alarm every morning. It changed my life for the better.

Dave, Modbury: I've been listening for the past few years, and the station has gotten me through some pretty rough times. I'm finally getting back on track. Thankyou.

Jane, Kingswood: Recently I have been home alone dealing with a severe injury – Life FM has kept me sane and I almost feel like I know the announcers.

David, Pasadena: I was struggling with anxiety & woke up to "Broken" by Lifehouse. I loved the song and it spoke to me the 1st time I heard it.

Sarah, Royal Park: I listen all day at work through my headphones and I am so happy that we have a station like this in Adelaide.

Kerry, Flagstaff Hill: I have suffered depression for many years & Life FM really helps with constant positive reinforcement and encouragement. My 13 year old son now listens too!

The Bible says...

You are the light of the world—like a city on a mountain, glowing in the night for all to see. Don't hide your light under a basket! Instead, put it on a stand and let it shine for all. Matthew 5:13 (NLT)

Be a 'Difference Maker'

In their latest song, **Need to Breathe** explores what it's like to make a difference in someone's life.

Bear Rinehart (lead singer) told Billboard magazine that "I feel like the beginning of the song is us asking ourselves are we really difference makers. Towards the end of the song it comes around that God makes us a part of what He does, which is so crazy."

Bear goes on to say that "It's not because of our talents. God doesn't need that. He needs our willing hearts."

Life FM has made a difference in many lives. You can make a difference in someone's life, too, by supporting the work of Life FM. That is the theme of this year's special November appeal: be a 'difference maker'

Why is Life FM asking for money...?.

Each year, every year, Life FM needs to raise 30% of its annual revenue from donations and appeals. We can only make a difference in the lives of our listeners with your help.

While we also receive financial support from commercial activities such as paid on-air advertising, without the generous support of listeners like you, we would not be able to do our job properly. And, one hundred percent of each and every donation goes toward the work and ministry of Life FM.

Please give generously to **make a difference** for someone else, today.
